PROJECT OVERVIEW

Oregon State University has implemented a new strategic plan with ambitious goals for the university to reach by 2030. The Division of Student Affairs saw this as an excellent opportunity for them to engage in a strategic planning process in order to steer their organization toward these shared university goals. The leadership team for the Division of Student Affairs has declared their vision for 2030 sought assistance from a strategic planning expert to guide their next steps in creating a strategic plan.

COMMITTEE STRUCTURE

Committee Executive Leadership

This is comprised of the two co-chairs for the engagement:

- Maureen Cochran
- Clare Creighton

For this engagement, these will be the decision-makers and voices of senior leadership.

Committee Heads

When we move forward, there will be sub-groups within the committee based on the CARE framework for implementation.

These individuals will be charged with chairing or co-chairing a CARE group.

Committee Members

These are the general members of the committee. They will contribute to group conversations and serve on the various CARE groups as applicable.

Campus-based members should expect to commit 5 hours per week, on average, to this engagement.
CARE

If you don't care about your plan, why should anyone else?
